VAN WETTENS

SINCE 1967

TOWING | RECOVERY | LOWBED | ROLLBACK SERVICE

COMPANY PROFILE

BACKGROUND

Van Wettens is a Towing and Lowbed service that has been in operation since 1967. This family owned company continuously strives for customer satisfaction through cost effective pricing and service excellence. We pride ourselves with thousands of satisfied customers ranging from once off cash customers to large national corporations and international cross border operators.

As a result of the significant infrastructure throughout Mpumalanga, we are able to provide a fast, efficient and cost effective service in this region. In addition we have a national footprint through our long term relationships in the towing industry and have considerable experience in cross border transport and towing throughout the Southern African region (Swaziland, Mozambique, Botswana, Namibia, Zambia and Zimbabwe).

COMPANY STRUCTURE

Van Wettens has a complete company structure in Nelspruit and is connected to every branch within the group via an electronic network. Our vehicle monitoring system ensures fast response and effective control 24/7 and 365 days a year.

VAN WETTENS HAS AN EXTENSIVE FLEET COMPRISING OF:

Lowbeds with a capacity of up to **50 ton**

Heavy duty wreckers capable of towing and recovering interlink combinations, fully loaded

One of the **largest roll-back fleets** for transporting light motor vehicles in South Africa

QUALITY CONTROL | SAFETY REGULATIONS

Extensive experience in the administration and transportation of abnormal loads, working with the relevant authorities in obtaining necessary permits, police escorts, Telkom and Eskom route surveys all ensure a safe delivery to any destination. Carrier liability goods in transit insurance cover are available on request. The vehicles are constantly monitored to ensure that the client knows exactly where his vehicle or load is at any point of time.
